

# grace + vine

## 2021 Grace+Vine Rogue Valley Symbiosis Red Wine

More than a winery, **Grace+Vine** is a proponent of change—empowering climate- positive enjoyment for wine drinkers, food lovers, and passionate activists. Like them, we want to know that our wine does good for the world. By working exclusively with winegrowers and producers whose practices are 100% unconventional—organic, biodynamic, and regenerative—Grace+Vine helps rebuild healthy carbon- storing soils, our planet’s greatest natural system for fighting climate change.

### WHY WE LOVE IT

<b>Description:</b>	An estate field blend of epic proportions
<b>Label:</b>	THE FUTURE BENEATH US - Regenerative agriculture looks ahead, supporting the invisible community living in the soil--archaea, bacteria, fungi, protists, and more--because they are critical to Earth's natural ability to store carbon and the key to delicious, climate-positive wines
<b>Notes:</b>	Dark cherry, cola, structured
